Dear *Dave,*

The Appraisal for the Communities of Shaugh Parish

I now enclose a copy of the results of the Appraisal for your perusal, together with the original questionnaire.

The analysis of the appraisal produced a vast number of figures and the possible combinations is legion. I have tried to make some sense of it and to make it readable. Anyway these are the results.

We should, as a committee, make recommendations. I would be grateful if you could look through the results carefully, and for each question write a Recommendation. Your personal Recommendation. Please send these to me if possible in the next two weeks. Say by Sunday 9th May.

I shall then produce a consensus of all our recommendations and we should meet to discuss these sometime during the week beginning Monday 24th May.

I would like to stress that I want the results of the Appraisal kept confidential until we publish them, so please do not leak bits here and there. It will make a much better impact published as a whole.

Please let me know if you have any queries or if the above deadlines are too tight.

My grateful thanks for your help and efforts.

Yours sincerely,

Patrick
